Transfer date (notary): 1 September 2026 (planned)

8. Affordability Summary (betaalbaarheid)

Loan amount: EUR 465,000
Market value: EUR 455,000
Loan-to-value (schuld-marktwaarde): 102.2% (incl. EUR 18,000 verduurzaming)
Max LTV - regular: 100%
Max LTV - incl. sustainability: 106%
Combined gross monthly income: EUR 9,200
Monthly obligations (debts): EUR 207 (student + personal loan)
Estimated monthly mortgage payment: EUR 2,050 (annuity, test rate)
Debt-to-income (indicative): approx. 30%
Test method: Annuity over 30 years per Trhk / NIBUD norms

Assessor flags to review: (a) LTV above 100% relies on the verduurzaming uplift to 106% - confirm sustainability quotation; (b) co-applicant on a temporary contract - rely on intention statement; (c) UWV-verzekeringsbericht and jaaropgave still outstanding.
